

Why should you do the **Medical Training Survey?**

“I’ll be doing the Medical Training Survey because I think **it’s very important that we have data that reflect what’s happening around Australia**”

Why should you do the **Medical Training Survey?**

“I think it’s a really valuable opportunity and **I’m excited to see what data comes out of it**”

Why should you do the **Medical Training Survey?**

“This is really our
**opportunity to make
our voice heard**”

Why should you do the **Medical Training Survey?**

“We can actually start to compile a better understanding of **what it’s like to work as a doctor** in this day and age”

Why should you do the **Medical Training Survey?**

“I’ll be doing the Medical Training Survey because the more voices that respond to it, **the more likely we are to get change**”

Why should you do the **Medical Training Survey?**

“The survey will be 10 minutes long... it won't take much out of your day to get it done and **it's something we should all just be doing**”

Why should you do the **Medical Training Survey?**

“Every doctor in training across the nation should do this survey... if we reflect on our current training then we can make improvements”
